### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

In its nearly half a century existence, Godutai Doddappa Appa Arts, Commerce & Science college for Women has committed to the cause of women's empowerment through access to quality education, particularly undergraduate education, through relevant courses in the formal stream. The institute recognises that to achieve this

desired excellence meticulous planning is essential. The institute at the commencement of the academic year, with the help of the timetable committee headed by the Principal and senior faculty members draws up a detailed timetable which efficiently allocates time for academic, co-curricular and extra-curricular purposes. Care is exercised in the apportioning of time for theory, practical, tutorial, ICT, life-skill, value education and other add-on classes for the well-rounded development of its students. The institute has successfully delivered add-on and certificate courses to up skill its students in the area of information technology, advanced communication, self-defence, and life skills which offer entrepreneurial opportunities.

While we place utmost care in encouraging healthy teacher-student interaction and knowledge sharing in the classrooms through tutorials, projects, periodic assessments which include formal evaluative processes and informal feedback, students are encouraged to interact beyond the classroom hours for curricular discussions.

Student feedback is integral to the continuous improvement principle of the institute. The head of respective departments along with the Principal periodically assess the feedback and provide inputs to the faculty for their improvement. IQAC committee meets periodically to evaluate opportunities for improvement at a strategic level.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The institute adheres to CIE as prescribed by Karnataka State Akkamahadevi Women's University, Vijayapur . The college academic calendar of events is prepared in line with the university calendar of events by including weekly working days and holidays, government

holidays, internal assessment dates, workshops schedule, technical seminars schedule, industrial visit dates, PTM schedule, sports day, cultural day, graduation day, last working day of the semester and get approved in Governing council meeting. Approved calendar of events is circulated to all the staff & students and a copy of the same is displayed in the college notice boards for the benefit of the students. Lesson plans and class timetable are subsequently prepared based on the academic calendar and the same is displayed and circulated. The lesson plan also takes care of curriculum plans, activities like internships, industrial visits, and CIE strategies like tests, assignments, presentations etc.

Based on the inputs from the Principal and the examination coordinator, all departments are asked to prepare the internal assessment (IA) timetable in advance which in turn is notified to the students. The internals are conducted, evaluated and also the display of marks and attendance is done as per the calendar of events.

The examination committee sends the information to the University about the students who are appearing for the examination. After receiving enrolled list of the students by the University, the college prepares seating arrangement chart, list of invigilators etc.

Godutai Doddappa Appa institute strongly believes in integrating crosscutting issues relevant to professional ethics, gender, human values, environment, and sustainability with a view to ensure holistic development of the students.. Drawing inspiration from the vision of the institute, our value-based education gives a positive direction to the students to shape their future and even helps them to know the purpose of their life. It also helps students to develop a strong relationship with the communities they live in. The college teachers engage the students in various activities through expert lectures, N.S.S., N.C.C., programmes. Through the mandatory courses on Indian Constitution/ Human Rights and Environmental Sciences, the institute ensures the students are adequately informed about the current challenges and how students response.

The students are also engaged in community service programmes to make them aware of responsibilities and the professional ethics. Our staff and students have actively participated in flood relief work, distribution of masks during the pandemic, distribution of food to the needy and economically affected people, outdoor plantation of medicinal and shady plants, seed ball preparation and many other such activities. The institute embarks and encourages its students to actively participate in such events to promote the philosophy of head in the forest and hands in the society. Furthermore, campaigns like women's empowerment and election awareness drives are perfect platforms for our staff and students to exhibit their constitutional duty and the importance of cultivating the same in the society.

## 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

College is transparent and robust in the evaluation process and reforms. It follows the regulations of affiliated University Karnataka State Akkamahadevi Women's University, Vijayapura and for the internal evaluation process of theory & practical subjects. The process of conducting internal assessment and examination has been conveyed to students and parents during the orientation program at the beginning of every academic year. Similarly, every department also organizes a semester-wise orientation program in the first week of every new semester.

The university circulars pertaining to examinations are circulated to the faculty members and administrative staff from time to time. If any urgent information we send to student through by sms.way2mint.com and student grievance mail (godutaigrievances@gmail.com) and displayed on the notice boards. Every year, an examination coordinators is constituted to conduct the internal and external examination /evaluation and communicate to the students, teachers, and administrative staff regarding examinations. If any changes in examination schedule, pattern immediately intimate to the students.

The process of internal evaluation starts at the classroom level. For every subject, two internal assessments are conducted at the departmental level to give fair chance to the absentees due to permissible circumstances and bring students under a uniform internal evaluation system. The marks are incorporated in the internals along with the performance in assignments, projects, Seminars, Class activities and attendance. The assignments and project topics are given based on the capacity of students and bring out the best as per their intellectual competence.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The students are the main stakeholders in any institution imparting education, and naturally, it is the responsibility of the Institution to ensure transparency in all its activities. Grievances associated with the internal and external examination are taken up immediately and necessary amendments and redressal are made.

Teacher Level

Students meet the faculty for minor grievances like totaling errors or allotting marks. The concerned faculty deals with the issue

Department Level

If the faculty member is unable to handle the situation, then the matter is carried on to the concerned HOD. The HOD tries to resolve the issue. If the matter is related to the syllabi or to marks allotted, the HOD will examine it in a transparent and judicious manner

College Level

If the matter is serious and the grievance is against the Department, then the Examination Committee and the Grievance Redressal Cell of the college step to solve the problems. The Grievance Redressal Cell comprising the Principal, and other senior faculty members of the college, will look into the matter and settle the issue.

University Level

If the grievance is related to the course syllabi or evaluation methods, then the matter is taken to the affiliated University. The matter is conveyed to the Board of Studies or Board of Examiners and the college ensures that the grievances of the students are dealt with. The common grievance brought to the notice of the committee.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

Karnataka State Akkamahadevi Women's University prescribes the syllabus. As such, every course teacher articulates on the learning outcomes and program outcome which makes the teaching learning process more fruitful as students are aware of the relevance of the topic in their pursuit of knowledge.

At College, the Course Outcomes (Cos) prepared are based on the university curriculum and syllabus. The syllabus for each course has been designed to meet compliance with the university curriculum for attaining the POs and PSOs defined for the program. At the same time, Program Specific Outcomes (PSOs) and Course Outcomes (COs) are framed by the department offering the concerned program after rigorous consultation with all faculty. After attainment of consensus, the same is widely propagated and publicized through various means such as display and/or communication specified hereunder.

- Website
- Department notice boards
- Library
- Faculty meetings
- Parent meet
- Alumni meetings

Besides, all students are apprised of their program's objectives and expected outcomes on admission during the compulsory orientation programs. Students are also educated and provided with the detailed syllabus and course outcomes in each course and the assessment strategy for each course.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The PO and CO attainment is evaluated in the following way:

#### DIRECT METHOD

- The CIA (Continuation Internal Assignments) matrix comprises of two tests, presentation, attendance, viva, practical test, quiz, field, Historical Place Visit, Industry visit and assignments. Every internal assessment metrics is mapped to their course objectives. The questions for the internal tests are chosen based on their corresponding CO's weight age and mapped to their COs.
- The marks obtained by the students are mapped to CO and PO.
- The performance data of each student in CIA (Continuation Internal Assignments) and end semester examination is uploaded to online software and attainment report is calculated. If the attainment is less than desired level, faculties are advised to take necessary steps

#### INDIRECT METHOD

- Programme outcomes are calculated by indirect method based on data collected from current passing out students, alumni and stakeholders.
- PO is evaluated based on the performance of the students in terms of their progression to higher studies, qualification in competitive examinations and placement details.
- Experiential learning in the form of organizing events like workshops/seminars/fests is also used to evaluate students' organizational and leadership skills which are a component of PO attainment.
- The involvement of the students and their impact on community also helps to map PO attainment.

#### 4.3 - IT Infrastructure

##### 4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

The College recognizes the correlation between the proper infrastructure and effective teaching-learning outcomes and hence gives utmost importance to IT infrastructure.

The plans for infrastructure development start with the planning at

the beginning of the academic year. A meeting chaired by the Principal is attended by various Heads of departments and Godutai's Computer and Electricity Committee, Website, and Internet Committee representatives. Assessment for replacement / up-gradation / addition of the existing infrastructure is carried out based on the suggestions from BOS members, Heads of the departments, lab technicians, and system administrator after reviewing course requirements, computer-student ratio, budget constraints, working condition of the existing equipment and also students grievances of the past.

Qualified lab technicians/system administrators. Renewal of AMC is done at the beginning of the academic year for the deployed Software applications that support various academic programs, other hardware, including UPS and generator. The institute has continually been reviewing the current needs, and accordingly, the internet bandwidth is upgraded from time to time.

The internet speed of 100 MBPS from BSNL and Private Internet Connection is adequate enough to power the IT infrastructure at Godutai. The computers across the College are fitted with a mix of open-source tools to ensure smooth conduct of classes and information dissemination during the pandemic period. The wi-fi facility is installed with wireless controller. All buildings, classrooms, hostel, seminar hall, conference rooms, and common areas in the campus are now wi-fi enabled.

Utilization of infrastructural facilities The auditorium and Seminar halls are utilized for college, university and national level events. The college aspires to create a clean, green campus The Sewage Treatment Plant (STP) is optimally utilized to treat wastewater. The solar panels installed in the terrace of the main block harvest solar energy and generate 50 MHz of electricity. The music room is used for training the choir and musical instruments. Outdoor and Indoor sports facilities are utilized for training and

conduct of sports and games of the institution and the affiliating university. The Art gallery was used for students.

Maintenance of classrooms Library & Laboratories ICT and other facilities are done periodically by the technical staff.

The AMC takes care of integrated library management system. Media studio with audio-visual and editing equipment and high end printers are maintained by the in-house technicians. Campus Maintenance IT infrastructure is maintained by qualified and trained in-house system administrators with the support of AMC service partners. Air conditioners, UPS, CCTV and generators are maintained by AMC partners. A campus supervisor/technician inspects the solar panels regularly to verify the optimal functioning of the panels. Fire safety and security equipment in all floors are maintained by the college.

#### 6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The institution has adopted a comprehensive resource mobilization policy. Ours is a private aided institution. The salary grant of permanent staff is received from state government. But recruitment of staff is held-up by the state government and many faculty retired from service and vacancies are not filled up.

The management appoints competent faculty on its own and a huge amount is required to meet expenditure. The institution approaches SBVVS for funds. SBVVS is permitted to raise funds and the same is granted for the up- gradation of infrastructure of the institution.

We have duly registered Alumni Association. Our Alumni are placed in high positions and they come forward to contribute to the

institution in the form of cash, kind and service.

Human resource is another vital resource which is utilized to a maximum extent towards quality enhancement.

Water and energy resources are mobilized and utilized without any wastage in the campus. Rain water harvesting system, installation of solar panels for generation of solar energy.

Water and energy conservation is our utmost priority. Old newspapers, magazines, waste papers and electronic gadgets are sent for recycling.

## INSTITUTIONAL VALUES AND BEST PRACTICES

### 7.1 - Institutional Values and Social Responsibilities

#### 7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The institution takes all precautionary measures for the safety of girls. There are 36 CCTV under surveillance in required places. Students approach the concerned faculty when they have lost something valuable or a book care is taken to rewind the camera and satisfy the students

The students counseling wing is active. Students with personal problem, academic problem when approach the faculty, they are treated carefully to solve the problem. General 'dos' and

'don'ts' are instructed to the students. Students spend their leisure time in ladies room and recreation room. It helps them enjoy privacy and have leisure time activities and make friends from different classes.

Mentoring is another platform where in the mentor mentee during the mentoring session put forth their grievances of their talents which are discussed. Their talents are made known to others. So that there can be exchange of ideas, thoughts and knowledge.

Students visit the canteen whenever essential. The food stuff prepared will be fresh and hygienic which help students to maintain good health. The 'Prasad Nilaya' started is in the interest of students who avail this facility at very minimum cost. This enables them good health. Nearby college premises we do have police counter to report for any emergency requirement. The college watchman has vigilance over people who visit the college. Parking facility is

also available.
