To,
Principal,

Subject – Seeking your support to conduct one day workshop in your estimated College on selected topics.

Respected Sir,

Greetings from Deshpande Skill Gurukul, Hubballi.

Deshpande Educational Trust is a pioneering residential skill development organization that was started by the Deshpande Foundation in 2010. It was born out of the pressing need for skilled human resources to power the growth of the 100+ social impact organizations the Foundation was working with. Rural youth, with education ranging from primary school to graduates, were equipped with essential hands-on skill sets currently in demand in the local economy. They also cultivated exemplary personality traits like discipline, hard-work, sincerity, resourcefulness and most importantly, a problem-solving mindset, which enabled them to secure gainful employment in local enterprises with significantly higher salaries compared to their peers.

At the same time we also conduct workshops across Karnataka in various colleges which will help final year Degree students to learn required skills therefore with reference to the subject cited above, we are glad to conduct one day workshop on one of the topics mentioned in this letter. We request you to suggest the topic of your choice which you feel better for your students and we will conduct on the same.

Kindly permit us to help our students skilled so that they can contribute to the society at large.

Topics:

1. Resume writing and interview skills
2. Personality development
3. Effective communication
4. Effective email writing
5. Goal setting
6. What next after degree
7. Save electricity and Save energy (For Technical students)

DESHPANDE EDUCATIONAL TRUST

07/09/2021

To,
The Principal,

Subject – Your permission to conduct process for selection and orientation of students to join the residential employability skills program conducted by Deshpande Educational Trust, Hubballi.

Respected Sir,

Greetings from Deshpande Educational Trust, Hubballi.

Deshpande Educational Trust is a pioneering residential skill development organization that was started by the **Deshpande Foundation** in 2010. We are a “**not for profit**” organization, and our skilling Centre in Hubballi is India’s largest. Our strong connection with employers in the region and beyond and our trainers with industry experience have been our strength. Our skill development programs are driven by requirements of employers, and thus are highly valued by employers. More that 6500+ students are graduated and placed in deferent industry. That we are have been able to consistently place 80 % + of the fellows who graduate from our programs is a testimony to this. Our strong focus on English communication skills and ICT skills has helped our fellows overcome the disadvantage of poor confidence. The environment of discipline and serious learning created at our campus has transformed students. After the few months at our Centre, they have been able to present themselves to employers more confidently, thus significantly improving their chances of a gainful employment.

Today, DET has grown to become recognized as India’s leading skill development organization which not only teaches youth necessary skills for employment but also makes them learners for life. Our alumni have soared to great heights as entrepreneurs and employees, bringing glory to their employers and more importantly, to their families and communities who had given up hope.

We are confident that your students of your college will hugely benefit from our constantly evolving training. We are keen to select interested students from your college and look forward to your permission to conduct orientation as well as interviews on your college campus. We look forward to your approval in the best interest of your students.

Truly Yours,

Rajabali M
